

Dr Beate Hanson

US

Beate has over 15 years of experience in leading clinical research departments. After building up and managing the AO Clinical Investigation and Documentation institute for many years, she moved to S&N in 2015 as the Regional Clinical Director for EUCAN, advising on over 100 studies in over 30 different countries. She also serves as an Assistant Professor at the University of Washington, School of Public Health in Seattle, USA. Beate has a passion for clinical research, including teaching and writing about it. PubMed currently lists 64 of her peer-reviewed publications.
