

Dr Maria Adelwisa Belen

Philippines

Dr Belen is a consultant orthopaedic surgeon at St Luke's Medical Center with special interest in complex trauma, including pelvis and acetabulum surgery. Dr Belen did her fellowship training in traumatology, pelvis and acetabulum surgery at the University Hospital-Hamburg in Hamburg, Germany. Presently, she is the Research Officer of AOTrauma Philippines, officer of the Philippine Orthopedic Trauma Society, section head for Trauma at the St Luke's Medical Center (Global City), and a member of the residency training committee. She is also a volunteer specialist for Medecins Sans Frontieres (Doctors Without Borders) with experience in conflict and war surgery.
