

Dr V R K V Prasad Gourineni  
US

India & US orthopaedic residency and US pediatric orthopaedic fellowship trained and board certified pediatric and young adult orthopaedic surgeon with 20 years' experience in trauma, hip preservation, and arthroscopy. Currently practicing in Chicago, USA and Tirupathi, India. Special interest in osteotomy, surgical dislocation, and arthroscopy for femoroacetabular impingement, acetabular dysplasia, and Perthes deformity. Career goal to promote hip preservation education, prevent hip disease where possible, and improve the quality of care.[www.hippreservation.com](http://www.hippreservation.com)
